

HORSE SPONSORSHIP

Change a Life. One Ride at a Time

At Riding for the Disabled Association Carine, our horses are trusted partners in therapy, confidence-building, and independence for children and adults living with disability.

Each horse requires specialised care to remain healthy, calm, and capable of supporting our riders safely.

Why Sponsor a Horse?

- Support life-changing therapy programs
- Directly contributes to horse health and welfare
- Aligns your name with a trusted community organisation
- Highly visible within a major public open space

\$5,000
(PLUS GST)

How Your Horse Sponsorship Makes an Impact

Each RDA Carine therapy horse requires year-round, specialised care to remain calm, healthy, and suitable for working with riders of all abilities.

Your sponsorship contributes to the essential elements of that care, including:

- Feed and nutrition
- Farrier and hoof care
- Veterinary and dental care
- Tack, rugs, and equipment
- Welfare and bodywork support
- Program and daily care costs

Together, these ensure each horse can continue delivering safe, consistent, and effective therapy.

What You Receive as a Horse Sponsor

- 12 months named sponsorship of a specific RDA Carine horse
- 12 months public acknowledgment on our "Horse Sponsorship Board" and Horse Profile signature including your logo.
- Recognition on the RDA Carine website and social media
- A framed photograph of your sponsored horse
- Two horse updates sharing your horse's journey and impact
- Acknowledgement in newsletters and annual reporting
- Invitation to sponsor recognition events
- First priority opportunity to renew your sponsorship annually

A Trusted, Public-Facing Partnership

RDA Carine operates within the Carine Regional Open Space, one of Perth's most highly used public parklands, with constant foot traffic from families, schools, walkers, and community groups.

Our horses, riders, volunteers, and facilities are visible daily to the wider community within the Carine Regional Open Space.

Your sponsorship reflects a genuine commitment to inclusion, wellbeing, and community connection, in a setting that is both meaningful and highly visible.
