

RDA CARINE VOLUNTEER JOBS

Get Involved and Make a Difference

Volunteers are the life blood of any nonprofit organisation. RDA Carine volunteers are no exception; we rely heavily on our volunteers to deliver our services.

Each week over 150 volunteers at RDA Carine donate their time to assist over 150 children and adults with disabilities enjoy the therapeutic benefits of horse related activities.

RDA Carine volunteers make a real difference in the lives of our riders. Volunteers can assist in a number of ways:

- Side Walkers - [Click here](#) to see our Fact Sheet on Side Walkers
- Leaders - [Click here](#) to see our Fact Sheet on Leaders
- Horse grooming and care
- Coaching
- Office support
- Fundraising
- Events
- Presentations
- Maintenance

Volunteer Training Programs

RDA welcomes volunteers between the ages of 14-85 years of age. Volunteers must demonstrate that they are physically capable of performing the duties they are allocated.

Experience with horses and people with disabilities is desirable but not essential. We can offer training in the variety of roles that you may perform at RDA.
